 - Renderers – Redshift, Arnold, Lumen

ACTIVITIES & ACCOLADES

Have had artwork showcased in the Ohio Arts Council's (OAC) Riffe Gallery.

Received the Dean's List award for maintaining a high-grade point average in academic excellence.

In addition to creating art, I like to read, play video games, volunteer at animal shelters, and hike in my free time. The world is full of wonderful art, and I have a sense of adventure for it all!
